

# Yearbook 2011-2012

**\$14.00 per book**  
**Orders are due Thursday,**  
**December 1, 2011**

We are now taking orders for the 2011-2012 Yearbook. This year's book has a soft cover which includes black & white and color photos of each student, class, club, and lots of school activities. We know you will want to have this keepsake of your child's year at Fox Chase. After the December 1 deadline, the Yearbook will cost \$17.00 each.

When you send in money, we prefer that you pay with a check—it serves as an additional receipt for you. Please make checks out to "Fox Chase Home & School". Please use the order form below to place your order. Once we process your order, we will send home a receipt. We will prepare a receipt for each book ordered and we will try our best to process orders quickly.

As an added convenience, you can also place an order online at [www.jostensyearbooks.com](http://www.jostensyearbooks.com). Click on Buy Your Yearbook and query for Fox Chase. Jostens also offers cute items with your child's photo or personalization on your yearbook. These items are available only through online ordering.

We will deliver the yearbooks to each child's classroom in May. If you place an order for multiple books, we will deliver the books to each child's class, not all books to one sibling. Any questions?
