

No Cost Ways to Help Fox Chase this Summer!

Box Tops/Campbell's Labels: These little rectangles add up to a lot of money for Fox Chase. We met our \$4200 goal this year and will aim even

higher next year! Box Tops are redeemed for cash and Campbell's Labels for Education are re-

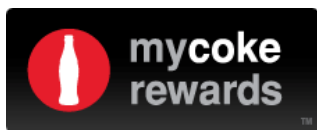

deemed for educational materials. Fill your "Summer Challenge" sheet with 50 Box Tops. Turn them in at Preview Night in August for a special prize.

Meijer Community Rewards: Register at Meijer or online (www.meijer.com/rewards) for a Meijer 1 Card. Scan the card at checkout and Home & School will receive a donation from Meijer for a percentage of each sale. The Meijer 1 Card is not a credit card. Meijer also offers a Master Card credit card and Fox Chase can be selected to that card too.

Coke Codes: Save the codes that you find under caps or on flaps from 12 and 24 packs. Home & School can redeem these codes for playground equipment, teacher supplies, and electronics

through a special School Redemption Program. If you already redeem codes, you can donate

points at any time to our account, just look us up on their website, www.mycokerewards.com/schools.

Old Cell Phones: Home & School can also redeem used cell phones for cash. Save your old cell phones and accessories and send them in at the beginning of the year. Ask your family and friends for their old phones too.

Inkjet and Laser Cartridges: Save your empty cartridges and Home & School can redeem them for cash or educational materials. This also helps the environment by keeping them out of landfills! Don't forget to collect them at work too.

Aluminum Can Drives: Please save your soda cans. One or two times a year, the school will hold a can drive. These cans will be turned into cash to support 5th Grade activities like their Civil War Days and end of year celebration.

Target Visa Card: Select Fox Chase Elementary School on your Target REDcard account. Their *Take Charge of Education* program will donate a percentage of each sale. To date, Fox Chase has received over \$6900 from this program!
